Growing in God's Garden of the Heart

Southwest Women's Connection Small Groups

Growing in God's Garden of the Heart

Thursdays, beginning October 13 ~ 9 - 11:30 AM, Room 202
Cost is \$25 (includes books) ~ Children's Programming available for ages 0 to 5 years old

Choose from five different classes:

1. **A Heart to See Forever-A Study in Revelation**
Teacher: Catherine Martin—Have you longed to study the book of Revelation, and discover its meaning for your life? In *A Heart To See Forever* by Catherine Martin, you will discover God's message to the church and His eternal perspective in the midst of difficult times. Find out how to see life from God's view, touch heaven when tested by fire, and grow closer to Jesus. Your life will never be the same as you experience God's promised blessing to all who study Revelation. Small group discussion and messages by Catherine Martin.

2. **A Study in the Book of Romans**
Teachers: Connie Sparks and Myrna Anderson—In Romans, we will discover the great salvation plan that is ours in Christ and know God's power for believers. Romans is filled with basic doctrinal truths about God's holiness, man's sin, and our need for salvation. We will learn how to live in light of who we are in Christ—righteous by God's grace, justified, redeemed by His love, sanctified, and empowered by His Spirit to overcome in life. Small group discussion and messages by Connie Sparks, Myrna Anderson.

3. **Philippians: Precept Upon Precept**
Teacher: Jo Ann Cummins—How do I live the Christian life joyfully regardless of people or circumstances? What is the purpose of suffering and the Christian perspective on death? Do I have "the mind of Christ"? Discover true, deep-down joy in your life that the world cannot take away! This is an excellent study for anyone new to Precept Inductive Study. Small group discussion, DVD by Kay Arthur.

4. **Daniel: Lives of Integrity, Words of Prophecy**
by Beth Moore
Teacher: Marilyn Morsch—In this Beth Moore study, you will learn how to live with integrity in today's self-absorbed society. The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Today, believers in Jesus Christ face many of the same trials. You will study Daniel's life and learn how to endure with integrity in an enticing world. You will explore thrilling prophecies from the time of Daniel through the second coming of Jesus Christ. Small group discussion and DVD by Beth Moore.

We will be planting seeds,
digging into God's Word,
growing in God's garden,
and reaping the harvest
of our Hearts . . .

Our challenge is to
"Be the Sunshine!" and
"Get Growing!"

5. **The Victory: Overcoming the Trials of Life**
Teacher: Barbara Baumann—This Norman Wright Bible study will teach us how to navigate the twists and turns of life. God's Word will be our road map as we learn how to bring hope to the hurting, comfort to those in crisis, and training to those who want to come alongside someone facing a crisis. You will learn coping skills to help you manage your own life crisis. Sessions include winning over worry and fear, stress and burnout, dealing with anger, divorce or marriage crisis, death, grief, and managing life transitions. Grow and shine in the dark places of your heart. Small group discussion and DVD messages.

God blesses those whose hearts are pure, for they will see God. Matthew 5:8
